Description

Deez Mexican is a viby, laid back and authentic Mexican Restaurant, in the heart of Hout Bay. In summer, relax on the stoep or on a hammock in the garden, and watch the sunset over The Sentinal whilst enjoying the Best Margaritas and Chilli Poppers South of the Border. In winter, the fire inside creates a warm relaxed atmosphere, whilst having a Tequila. The menu is varied, tasty and consistently well prepared. Excellent and friendly service make this one of the most enjoyable restaurants and experiences in Hout Bay. Do Deez if you Dare – for an excellent fun night out in Hout Bay.
